Sir,

I beg to state that I submitted an application to you praying that my name may kindly be included in the list of candidates for First Class Vacancies in the Department of Public Instruction in Mysore, as I had passed the Vidwan Examination of the Madras University, after my name was registered for a post in the Education Department by the Central Recruitment Board.

I learn that the Department of Public Instruction has recognised that the Vidwan Examination of the University of Madras is equal to the Pandits Examination of the Government of Mysore.

I should be grateful if you can kindly do the needful to get my name registered in the list of candidates for First Class Vacancies in the Department of

Public Instruction as early as possible.

With reference to your letter No.7305 dated 19th March 1937 informing me that I am permitted to apply for first class vacancies when they are advertised, I beg to state that my name has been registered as No.24 for employment in Middle Schools in the Mysore District (vide Notification No.7009 dated 14th March 1935) before I passed my Vidwat Examination.

I know Mr.K.V.Venkatesaiya for some years past. He has passed the Upper Secondary Examination of the Mysore Government and also undergone training Course. He appeared for the Vidwan (both preliminary and Final) Examination of the(University of Madras) 1935 and passed creditably taking a SECOND CLASS. In the Group in which he appeared there was no first class and there were only two Second Classes. So in that group he has taken either first or the Second rank.

Mr. Venkatesaiya is an intelligent and earnest student, and has very good power of expression. He is trying, I learn, for a Research Scholarship. From what I know of him, I feel confident that he will, under proper guidance, do good work.

K.V.Venkatesaiya was my student in the U.S.T. class during the year 1933-33. I found him quite good in my subjects. Since he is aware of the latest methods in teaching and knows English also, I am of opnion that he will be a better teacher for the Primary Section than most of the L.S.T. men and U.S.T. men without kindergarten qualification.

I have known K.V.Venkatesaiya for nearly two years. He was an ardent and painstaking student. Not only was he hardworking but he was keen and inquisitive about knowledge. He has a modest and unassuming look about him, but I dare say tha he will prove to be a successful teacher in the Class-room. Hence I strongly recommend him for a suitable appointment.

Mr. K.V.Venkatesaiya was a student of the U.S.T. class in the Government Training College, Mysore, for one year (1932-33). As I was teaching in that class both methods and organisation and discipline, I have seen his performance in the Terminal Examinations in Theory and Practice of Teaching. He has a bright intellect, and his work has always given me entire satisfaction. He has in him germs of greatness and honest original effort which are very essential for a successful teacher. He has very high ideals, and he is constantly endeavouring to rise for above the ordinary level of mankind. His love for his mother country and his love for mastering modern Kannada Literature are deserving of special mention. His high sense of duty is very commendable. He has great reverence for heroes of Mysore and heroes of India and the World. His work in the classroom was of a very high order. His conduct and character are very good. I believe that he will shine as a teacher, for he loves his work very much.

I have, therefore, great pleasure in strongly recommending him for a teacher's post in the Primary and Middle Schools of the State.

The Secretary,

Sir,

I beg to state tiat I have passed the Kanada Pandit's Examination in the year 1934 and the S.S.L.C. Examination in 1928. When I was working as a U.G. substitute in the Lakshmipuram ~~High~~ Middle School, Mysore, in the year 1934 I had applied to the C.R.B. in order to register myself for any appointment. But my name was not taken in any list of the Mysore Gazette till today although candidates with lesser qualifications than myself have been taken even in the D.D.P.I's Unit - ~~Grade II~~. However, I have been appointed as an Assistant Master on Rs.20/- in grade 20-1- 25 by your kind permission and with the Dewan Saheb's sympathetic recommendation due to my father's great services in the Educational Department and Mysore Palace. In spite of the great recommendation that I may be given a suitable Pandit's post I was taken only as an Assistant Master in Mallavalli Middle School on a lower scale even though there were other vacancies on higher grades. Even though I am better qualified than other Pandits of ~~Middle~~ Middle Schools in the Department among pandits with English qualification an attention to the seniority is only paid along with other Kannada teachers with no merits and my case was not at all taken for higher grades when there were many promotional vacancies.

To C.R.B. Sup. with application in Kannada

My case is much distinguished from those of other Pandits who are in the Department. I was entertained in the Department after passing the Pandit's Examination. Now as there is no other scope of higher promotions in the near future for me I request you to kindly enroll me also in the D.D.P.I's. Unit, Mysore Division, class I so that I can get some promotion, in the Educational Department, for which act of kindness I shall ever remain indebted to you.

I come to know Mr. A.L. Sreenivasa Deshikachar as a student of the 1st and 2nd year classes of the Pandit's course during the years 1934-34 and 34-35, when I was in charge of the Training College. He struck me as a very intelligent hardworking and promising student. His progress and character were found to be quite satisfactory. As I now learn that he has passed the final examination of the course, and as he seeking for an appointment, I heartily commed him. As he has a high sense of duty and great enthusiasm for work, I am quite confident that he will prove worthy of any consideration. I sincerely wish him every success.
